

Autumn Bio

7-3-20

+3%MgO

Turf Food Autumn Bio is a premium quality, fine grade, organo-mineral formulation of plant nutrients and beneficial microorganisms, suitable for use on all types of sports turf, amenity turf and lawns.

Turf Food Autumn Bio provides a high proportion of potassium alongside nitrogen and phosphorous to support healthy plant function outside of the main growing season. The addition of 3% magnesium further helps to promote healthy colour.
